

**\*\*Sam T James\*\***

**AI Engineer | Machine Learning & Data Science Enthusiast**

**Email: sam@example.com | GitHub: tj-mas04 | LinkedIn: tjmas04**

### **### \*\*Summary:\*\***

**AI Engineer with expertise in \*\*cloud computing, edge AI, and machine learning model development\*\*. Experience in \*\*AI research, data science, and engineering scalable AI applications\*\*.**

### **### \*\*Experience:\*\***

**\*\*R&D Intern – Samsung PRISM (Oct 2024 – Present)\*\***

- Developed \*\*AI models for edge computing\*\*.**
- Conducted \*\*research in AI model efficiency\*\*.**
- Worked on \*\*cloud-based AI deployment\*\* strategies.**

**\*\*AI – ML Intern – Google (June 2024)\*\***

- Optimized \*\*deep learning models\*\* for cloud environments.**
- Worked on \*\*data engineering and AI model training\*\*.**

**\*\*Full Stack Developer Intern – Bharat Intern (Mar – Apr 2024)\*\***

- Developed \*\*data-driven AI applications\*\*.**
- Worked on \*\*AI-powered product development\*\*.**

### **### \*\*Skills:\*\***

- \*\*Machine Learning & Deep Learning (TensorFlow, PyTorch)\*\***
- \*\*Cloud & Edge AI Deployment\*\***
- \*\*AI Model Development & Optimization\*\***
- \*\*Data Science & Engineering\*\***

- **\*\*AI Research & Product Development\*\***

**### \*\*Education:\*\***

**\*\*BTech in Computer Science (Expected May 2026)\*\***

**SRM Institute of Science and Technology**

**### \*\*Certifications:\*\***

- **\*\*AWS Cloud Foundations (2024)\*\***

- **\*\*Oracle Cloud Infrastructure Certified (2024)\*\***

- **\*\*Database Management with SQL (2024)\*\***

**### \*\*Publications:\*\***

- **\*\*AI Model Efficiency Research – IEEE Conference (2024)\*\***
